The latter costs spout of the first machine, which pena County Savings Bank, you are tak-ing care of both dimes and dollars. about 70 cents per foot, but the Alpena stone can be furnished for less than balf stone can be furnished for less than half minute, bores a hole the entire length, that price. Last week we spoke of the about the middle of the block, and shoves fine appearance of the bush-hammered them down a spout. The bored blocks stone in the front of the new Holmes are then taken to the second machine. ong timber train between Alpena and block. It is from the quarry of Richard The man in charge places them in a Ossineke. No one was injured by the Collins, in the city limits. There is no spout, one at a time, and the machine necessity for going outside of Alpena to get does the rest of the work. It takes hold first class building stone. The stone ob- of each block, planes them the required tained from the Alpena quarries will take shape and drops them into a box beneath, a beautiful polish, and can be used for at the rate of 53 per minute, ready for the pail makers. When finished the handles are 32 inches long, 2 of an Alpena Magnetic Sulphur Spring Bath inch thick, and have a hole for the wire handle. The machines can make between 30,000 and 40,000 per day, and a market

> the product. Timber that is not good enough for spools can be used for pail handles, and thus a good deal of timber which has heretofore been wasted is now valuable. The works are running to their fullest capacity, making spools, floats, clothes line pulleys, etc. A shipment of thousands of the pulleys was made to Jersey City, last week.

### Agricultural Society.

A meeting of the Alpena County Agricultural Society was held Friday, when the fair ground was leased to the Alpena Driving Club. The Driving Club will have possession of the fair ground and buildings for a term of fifteen years, but the society retains the right to use the entire ground and buildings one week in each year. The Driving Club is to keep the buildings in repair and protect the property of the society. The Driving Club has built one of the finest half mile trotting tracks in the country, at an expense The following is a list of letters at the postoffice uncalled for, and if not claimed soon will be sent to the dead letter office and letter office is the clearing and leveling of the ground inside the track. The lease provides for the Driving Club erecting a grand stand, is large substitution of several thousand dollars, besides making many great improvements to the ground, among which the most notable is the clearing and leveling of the ground family, Mrs. W. B. Tabor, Mrs. and Miss Hyatt, Mrs. H. R. Morse, Duncan Mc-Rae, Frank Beck, Mrs. and Miss Mc-Rarell James of several thousand dollars, besides makof which full particulars were given in this paper last week, but it is provided the Agricultural Society shall pay for the grand stand at the expiration of fifteen of A. Eales. years, what the building is actually worth at that time.

We consider the Agricultural Society has done wisely, and they will receive of logs from Canada. more benefit from the arrangement than in looking after the property during the heard one man ask for a reduction 51 weeks that they would not be used. his house valuation, giving as a reason caucuses is to select six delegates to atthe grand stand alone ought to produce that he found difficulty in getting all the
